05 Jan 2018

Through the Principal *f. Hauli.*

Dear Parents,

RE: Science Club 2018

Your child has been identified to be high-progressing in Science and we are extending an invitation for your child to join Science Club CCA.

During Science Club CCA, we will be running an enrichment programme that caters to high-progress learners in Science. The programme is designed with a strong focus on process and thinking skills in Science. They are aimed at stimulating curiosity and developing and strengthening abilities to study phenomena and their possible causes. Through the programme, we want to motivate the learners to be confident and independent researchers in their own right.

A selection process in the school has been initiated based on students' ability and interest in Science. Your child has been shortlisted and we would like to invite him to join this Science programme, which will begin on **1st Feb 2018 (Thurs)**.

8th

Attached is the schedule of the programme (Annex 1) planned for this semester. The schedule for next semester will be made available at a later time. As the sessions take place after school hours, we need commitment on the part of your child, as well as support from you as a parent.

Please reply to let us know if your child would want to opt into the programme by completing the attached reply slip (Annex 2). Please get your child to submit the reply slip to the General Office **by 8th January 2018 (Mon)**. There will be a tray (**labelled Science Club 2018**) in the office where he will drop the form.

Should your child decide to join us, please note that he has to ensure that there are no clashes with his other commitments e.g. other CCAs.

Please feel free to contact Mdm Noraisha Hamzah at noraisha_hamzah_a@moe.edu.sg or Mrs Ashley Quek at ashley_ng_li_qin@moe.edu.sg if you have any queries.

Thank you and we look forward to your child's participation in this.

Yours in Education,

ASH
