

9 January 2018
 Through: The Principal 

Dear Parents/Guardians,

Re: Recruitment of School Team Swimmers

Our Marist Swimming School Team is now scouting for interested students, who are highly motivated and keen on **swimming competitively**, to represent the school in the 59th National Inter Primary Swimming Competition in April 2018.

Swimmers who are currently training under professional coaches at club level competitions are invited to come forth to represent the school. Swimmers who had competed in the 2017 National Inter Primary Swimming Competition are also eligible to compete again in their respective divisions.

All shortlisted swimmers will need to attend a **compulsory time trial**. The details as follow :

Date	8 February 2018 – Thursday (tentative)
Time	3-5pm
Venue	Serangoon swimming complex (tentative)

The time trail will be conducted by our school teachers. Selection and team formation (for 4 X 50m free style and medley relay) will be based on the child's performance at the time trail.

Two-way transport arrangement will be provided for the time trial. However, transport arrangements will **NOT** be provided during the competitions.

We seek parents' support and cooperation to respect all decisions made by the school after the time trials are conducted.

Please provide us with the required information in the attached form. **The timing must be taken by a swim coach with supporting evidence where applicable, eg. swim meet results.**

For further information, please contact Mr Alvin Lee Chia Wei or Mr Koh Chek Seng at 62827743 or email to lee_chia_wei_alvin@moe.edu.sg / koh_chek_seng@moe.edu.sg. **Please submit the forms by 30 January 2018 (Monday).**

Thank you.

Yours sincerely,

 Mr Koh Chek Seng
 School Swim Team
